N. SUBBA RAO,
Executive Engineer.

BANGALORE DIVISION.

Dated 12th—22nd January 1918.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Bangalore Division, up to 3 P.M. on Monday the 12th February 1918, for the supply of the undermentioned articles required for the use of the Marlavady Tank Works.

2. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified in the list will be supplied, the rates tendered for such items shall include cost of delivery at the Stores of the Bangalore Division.

3. Each tender must be accompanied by a deposit of Rs. 500 in currency or Government Promissory Notes, as earnest money, and be superscribed "Tender for the supply of articles required for the use of the Marlavadi Tank Works," in default of which, tenders will be rejected.

4. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned. The earnest money of the successful tender will be returned when the supply is completed satisfactorily.

6. Articles should be supplied with a fortnight from the date of receipt of the orders.

7. Articles supplied but found not to be of good quality will be rejected and the supplier shall remove the same and shall guarantee to replace the same with fresh ones then and there.

8. If the successful competitors fail to supply the required articles or replace the rejected articles in time, the same will be purchased elsewhere and difference in cost between the rate tendered and that at which the article is purchased will be debited to his accounts.
